

Welcome back!

I am excited to start off a new school year with your child and look forward to creating many new projects!

This year we have an exciting opportunity for you. Parents love collecting their children's artwork, so we are teaming up with Art to Remember, a company with the mission of supporting and promoting art education. Art to Remember transfers children's artwork onto wonderful keepsake items, such as phone covers, mugs, necklaces, and many other useful things! This is a unique way for you to enjoy your child's artwork and for the children to see you appreciate their accomplishments. This is a great gift idea for friends and family members, and supports our school!

After the artwork is complete, we will be sending home order forms featuring artwork created by your child printed on the cover! I am so excited to be able to do this program this year.

I plan on making art class a fun experience for your child, helping them to see where their imagination can take them!

Thanks,
